30 **Approval of Minutes:** Mary Lou Ward moved; Gino Jimenez seconded to approve the  
31 minutes for January 17, 2020. Motion passed.

32  
33 **Discussion Items:** Mr. Dollahon showed the TNR map that had data that was extracted  
34 from Shelter Love at the Animal Service Center when they were releasing community cats  
35 inside the city limits. Mr. Dollahon said that practice was shut down last summer so  
36 technically the shelter shouldn't be releasing community cats under the current ordinance.

37  
38 David Dollahon said Gino Jimenez has 8 applications for colonies now. Mr. Jimenez said  
39 he had one person contact him and was ready to go ahead and get her permit. The only  
40 problem is one of the cats is being difficult to catch so she wanted to just go ahead and not  
41 include it in her colony and go ahead and move forward with her 9 cats. Mr. Jimenez told  
42 her she had until the end of February to see if she could catch the 10<sup>th</sup> one and include it  
43 with the others. She has all of her documentation and is ready to go to get fully permitted.  
44 Mr. Jimenez will contact her the last week of February and see where she's at.
